SHIPPING

We ship all injectors via USPS with tracking, or FedEx with tracking, whichever is cheaper. If you want expedited shipping, please check here:

- I would like injectors shipped overnight via FedEx and understand this will incur additional charges.

SERVICES

Please select below:

- Flow Test Injectors Only (\$15/injector top feed, \$20/injector DIT or side feed)
 - This will include a video to be emailed to you, of injector flow testing
- Flow Test and Clean Injectors (\$25/injector top feed, \$35/injector DIT or side feed)
 - This includes sonic cleaning and refurbishing

We can generally complete services within 24-48 hours (business days only M-F), as long as we have your refurbishing parts in stock. If we do not, we will contact you to inform you of wait time.
