SHIPPING

We ship all injectors via USPS with tracking, or FedEx with tracking, whichever is cheaper. If you want expedited shipping, or would like insurance on your return package, please check below:

- I would like injectors shipped overnight via FedEx and understand this will incur additional charges.
- I would like injectors shipped with \$1000.00 of insurance (this incurs an additional \$20 charge).

SERVICES

Please select below:

- Flow Test Injectors Only (\$15/injector top feed, \$20/injector DIT or side feed)
 - This will include a video to be emailed to you, of injector flow testing
- Flow Test and Clean Injectors (\$25/injector top feed, \$35/injector DIT or side feed)
 - This includes sonic cleaning and refurbishing

***** Removing injectors from fuel rail subject to extra fee.**

We can generally complete services within 24-48 hours (business days only M-F), as long as we have your refurbishing parts in stock. If we do not, we will contact you to inform you of wait time.
